They are "cum" (pronounced kyoom), short for cumulative folders. Every student has one, containing their student records, which follows them from school to school.

Subject: HUME folders?

Hi Denise,

Dr. Clark said they had focused on priorities with regard to moving items, and she said that included "HUME" folders?

1. Am I spelling that right?
2. Is that an acronym & if yes, what does it stand for?
3. Can you describe what those folders are? Dr. Clark partially described in the Board meeting, but more detail would be appreciated.

Thanks,
Reed
