If you're done inputting candidates who filed yesterday, could I get an updated copy of that Candidate List? Preferably a spreadsheet version of it.

I won't have that list until the State Board of Elections certifies it to me on January 11th. Just send me an email after that date and I will send you a copy of the certification.

I have attached a current list of the candidates who have filed.

Thanks! If you ever develop a list of other offices that you're not in charge of but will be voted on in macon county, I'd love to get that. Though, I know I can figure that out myself from the candidate's guide.
