We need to attack our low grade level reading, math, and science scores. I want to be part of the solutions.
Policy initiatives: No cell phones in classrooms.
FB page: Friends of Mark Reynolds District 61.

Hi Mark,

Just checking in to see if you have a chance to send your platform information?

At the very least, I would appreciate a photo for your candidate page & then I can write up platform information from your WAND interview.

Thanks,
Reed

Hi Mark Reynolds,

I cover local elections and would like to share your photo and platform on your candidate profile at <https://www.decaturvote.com/2023/decatur-il-election/school-board/mark-reynolds/>

Could you send me the following information, so I may publish it?

- A written campaign platform, if you have one.
- An answer to "Why are you running for Decatur School Board?"
- An answer to "Do you have any specific policy or budget goals?"
- A website and/or facebook page
- A photo of you to display on your candidate profile

Thanks,
Reed Sutman
