Hi Bill,

In my recent FOIA, I saw the email Kevin wrote to you & Dr. Clark. I have attached that email from the first page of the foia response.

I have some questions.

1. Did you call Kevin on Wednesday October 18th?
2. Did a 3rd grade parsons teacher or DEA request a TA?
3. Kevin claims you told him "to vote no if the DEA proposal of a TA in the third grade at Parsons came to a vote". Is this true & do you have any comments?
4. Kevin wrote "I find this unethical and bordering on intimidation" - Do you have any comments?
5. Do you want to get a TA for 3rd grade at parsons? Why or why not?
6. Kevin wrote "previous board members were perceived to be bullies" and "Your actions are becoming more and more like that, in my opinion". Do you have any comments?
7. Kevin wrote "Every time one of us votes against you or Admin, you feel the need to scold us or justify why we might have voted the way we did." He adds "it is OK to not be unanimous" - Do you have any comments?
8. Kevin wrote "if you are going to call me about upcoming topics on the agenda, I would appreciate the facts only, and not be told how to vote."

Thanks,
Reed Sutman
