Thank you for your request. At this time, neither Dr. Clark nor Dr. Curry have availability in their schedules for one-on-one interviews. All information regarding the future for Dennis Lab School is presented during regular updates at Board of Education meetings, as well as on our webpage dedicated to keeping our community informed about the future of Dennis. You can find that information at engage.dps61.org/dennisfuture.

Would either (or both) of you be available for an interview regarding Dennis Schools, any time this week or next week?
