

Call with Josh Tanner, Macon County Clerk at 10:04am on April 19th, 2023, at 217-424-1305

Josh Tanner says the results are "final for anything that is completely within Macon County."

Richland community college will involve other counties, and he will send me those results once they're ready.

64 mail-in-ballots came back after Apr 4th
2,400+ didn't come back, he will send me the final count.

Other elections like Central A&M involve multiple counties (I'm not covering Central A&M)
